Re: California Public Records Act (CPRA) request 019-090

Dear Mr. Alexander:

In further response to CPRA request 019-090, the University produces the attached sixty-five (65) pages. Limited redactions have been made to signatures pursuant to California Government Code Sections 6254(c).

UCSF continues to search for additional responsive records regarding memorandums, e-mails, or other communications based on the clarification in your email of July 29, 2020, which sufficiently narrowed the request to communications between persons involved in the contractual relationship, even if such persons do not work directly for a trustee or faculty member.

I will write again not later than August 14, 2020, regarding the search for memos, emails, or other communications.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brenda Gee', written in a cursive style.
