[REDACTED]. Therefore I need for you to bring for yourself PPE gear AND wear while collecting:

That includes:

- Face shield
- Mask
- Gown
- Gloves

Please provide these items for yourself and be prepared to provide them for yourself every time you come to clinic.

Subject: Starting
collection as soon as
tomorrow

Hi [REDACTED]

Thank you for your
patience on having
us set up a system
to get you back into
the clinic collecting.

We will have two
collectors in the
clinic at a time. We
will break collection
up in two shifts,

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED].

Both can both wait
in the same room

while awaiting
collection, hospital
approved mask and
maintaining 6-feet
apart is required at
all times.

[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

Here are the steps:

-You will be
screened when
entering the
hospital,
specifically [REDACTED]

[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

[REDACTED]
[REDACTED]
[REDACTED]

[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

[REDACTED] YOU WILL
NOT BE SIGNING IN
AS YOU USUALLY
HAVE. Now, you
will go straight to
the back, please
maintain your
distance from staff.

-Send me an email recording what time you have arrived

You will only enter the collection room one at a time and when no staff are in the room. When in the room you will have to place all PPE on, in case a staff member comes into the room. **If a staff member does need to enter, leave your products in the Pyrex and step out. Wait until staff is complete to reenter.**

When complete with all collection or when shift is over, in this case [REDACTED], email me your time of departure as well as what was collected.

We hope as we begin to know more about reintegration and policies and procedures to allow everyone in but in the meantime we will start off as this. Again, thank you for your patience.

Think that's it! Feel free to reach me at [REDACTED] for any questions or concerns.

Best,
[REDACTED] and the research team.
