Subject: RE: UCSF PRA 021-091

Hello and good morning, Mr. Alexander.

In further response to PRA 021-091 (sent via Mr. Raymond Cardozo of ReedSmith on September 8, 2021), attached hereto is the next production of documents. These documents are a reproduction of the original records and no redactions have been applied.

I estimate the next production on this request will be on or about Friday 2/25/21.
