Subject: FW: UCSF PRA 021-091

Hello and good morning, Mr. Alexander. I hope this finds you well.

In further response to PRA 021-091 (sent via Mr. Raymond Cardozo of ReedSmith on September 8, 2021), attached hereto is the next production of documents. These documents are a reproduction of the original records. Redactions have been applied to the names of researchers and staff pursuant to California Government Code sections 6254(k) and 6255. The names of researchers and staff do not shed any light on the work of the University, whereas the potential harm to UCSF employees could be quite great.

I estimate the next production on this request will be on or about Friday 2/4/21.
