Hello and good afternoon, I hope this finds you well.

Based on your reply, UCSF has reassessed the documents that are potentially responsive to your request. Without waiving the exemption stated in my reply of March 5, 2021, UCSF produces the attached 144 pages that are responsive to the request for records that are used as part of achieving ACGME Program Requirements for Graduate Medical Education in Obstetrics and Gynecology, Sec IV.C.7:

- 10 Page - Sentinel Articles from Objectives 2020-2021
- 134 Page - CREOG Educational Objectives, A Core Curriculum in Obstetrics and Gynecology, 11th edition.

We are consulting further with our clients and may have a further update early next week.
