Hello and good afternoon, Mr. Alexander. I hope you had a nice holiday break.

UCSF has assigned tracking number 021-091 to your request of September 8, 2021, that was sent to Mr. Raymond Cardozo of ReedSmith: "... request is hereby made now for any records wherein there is mentioned or discussed or reported of an "extramural delivery" or "extramural delivery prior to demise" in the records of the Women's Options Centers. The timeframe for this request is January 1, 2015 to the present date."

Attached hereto is the first in a rolling production of documents in response to PRA 021-091. These documents are a reproduction of the original records. None of the information in these 20 pages is exempt from disclosure and accordingly no redactions have been applied. I estimate the next production on this request will be on or about Friday 12/17/21.

I should probably also note that responses to PRA 021-091 are in addition to the rolling responses that you will continue to receive on PRA 020-107.

Thank you, kind regards,

TOM DELLNER

Hello,

I will be the UCSF campus resource that produces the documents – if there are any questions about the docs or problems with opening the PDFs, I can assist with that; but if there are legal questions about exemptions and such, those should continue going to Mr. Cardozo.

Thanks, kind regards,

TOM DELLNER

Good Day Mr. Dellner,

Thank you for your e-mail. I will pass this onto my client.

Does this mean that I am now dealing with you directly on this request versus Mr. Cardozo?
